

The CPAs Best Friend

Implement CPA Income Accelerator

Are you serving the following business owners?

Hotels, Restaurants, Apartment/Nursing complexes, Office complexes, Shopping malls, Manufacturing facilities, Funeral homes, Car dealerships, Golf courses, Grocery stores, Medical facilities, Engineering and Architectural firms, Staffing and PEO's, Construction companies, Logistics, Design groups, Labs, Pharmaceutical companies, Start-Ups, all companies that hire W2's employees.

The 21st Century CPAs Embrace;

- Generating new revenue streams
- Attracting new clients to the firm and helping develop desirable niche markets
- Solidifying current client relationships and loyalty
- Increasing billable hours
- Increasing your competitive advantage in the marketplace
- Private Label Opportunities

We specialize in providing a suite of engineered accounting solutions to CPA firms and their clients. Our engineers are fully compliant and well versed in IRS Circular 230 – FIN Standards.

Commercial Building Tax Incentives

- Cost Segregation
- Section 179 D
- Property Tax
- Historical Tax Credits
- Section 45L Tax Credit

Specialized Tax Incentives

- R&D Tax Credits
- Hiring Tax Credits
- International Sales
- Sales & Use Tax

We offer a turnkey partnering program with CPA Firms nationwide to help their clients maximize cash flow and bridge the gap between accounting and engineering. Our advanced software and virtual capabilities provide you the opportunity to serve any business inside the continental US.

Your expansion opportunities are simply unlimited and a new day is dawning for you and your practice.
